**Who we are:** *We work together as a team, from our interns to our owners. We are all pulling in the same direction for the benefit of our clients. Striving daily to achieve the best outcome, the best experience and the best support for our clients and their families as they navigate the often-scary world of criminal justice.*

**Who we are looking for:** *We are eager to work with excited, motivated people who want to learn, grow and be a member of something bigger and better than any one person. We want people that are ready and willing to help others in the firm, so we can do the best job for our clients.*

## **Lawyer:**

**5+ years experience preferred. Our goal is to foster an environment where you will become one of the top criminal defense attorneys in Michigan. We are looking for someone who wants to be part of a team culture. You will have your own growing caseload, but you will not be alone. All the attorneys and staff will help support you and your clients. Weekly strategy sessions are calendared with a senior attorney to encourage dialogue and promote creative solutions to problems. Continuing legal education is required for all our lawyers. We never stop learning. We are committed to helping with Specialty Courts when and where we can. Excellent communications skills required – this includes keeping in contact with and being responsive to clients and your legal assistant. You will be expected to handle a wide range of cases from misdemeanors to felonies. Your case type and load will depend on your experience and training to date. We primarily work the following counties: Allegan, Barry, Berrien, Calhoun, Cass, Kalamazoo, St. Joseph and Van Buren. However, at times we are called upon to work other counties as well – and sometimes out of state.**

Rest assured we will provide training and positive feedback to make sure you are successful! Above all we are a team that helps and looks after each other, which strengthens our firm to the benefit of our clients. Competitive pay. Paid vacation. Paid holidays. Healthcare, 401k/Roth IRA.

\*\*\*We know family comes first so we remain flexible. We encourage you to enjoy a positive work-life balance\*\*\*
