### **About Us**

We are a respected criminal defense firm known for our dedication to clients and our strong trial practice. We’re expanding our team with a unique attorney role that is not a trial or courtroom position. Instead, this attorney will help clients regain something essential to their daily lives—their driver’s license.

This work changes lives immediately. Clients who regain their ability to drive can work, take care of their families, and get their independence back. This position is deeply fulfilling for the right person.

- Help clients navigate the administrative and legal processes required to restore their driver’s licenses
- Review client histories, identify eligibility, gather required documents, and draft filings
- Communicate clearly and compassionately with clients
- Track deadlines, requirements, and progress across many active cases
- Work independently while contributing to a team-oriented firm culture

#### **What This Job Is Not:**

- A courtroom or litigation role
- A high-adrenaline, trial-heavy position

#### **You’re a Great Fit If You Are:**
